

Dear Sir/Ma'am,

We observe **National Education Day** on the **11th of November** every year to commemorate the birth anniversary of Maulana Abul Kalam Azad. Quality education has always been our mission, so this day holds great significance for all of us.

We have come up with a few activity ideas for you. Feel free to improvise so as to make the day more fun for the peculiar Bachpanites!

- Encourage the kids to answer in their cute way “Why do I come to Bachpan Play school” and “Why do I think school is important?” (You may ask other related questions as well)
- Organise a poster-making competition on the theme of education
- You may also conduct a rally where the kids can raise slogans on the importance of education (like “Education is Power”)

To get your school activities featured on our official social media platforms, please keep the following points in mind:

- Send us the **raw files** of your school activities (without any editing) at gallery@bachpanglobal.in
- Ensure that the pictures and videos are either in **portrait mode** or in **landscape mode** only (NOT both)
- There should be **no background music**
- Make sure that the pictures/videos are **clear** and of high quality (not blurry)
- Students should be in **school uniform**
- Use the **Bachpan backdrop** in a creative way
- Carry out the activities in a **well-lit area** to capture good photos/videos

In case you have any queries, kindly contact us.

Thank you.

Team Bachpan
