monthly **MIRROR**

NOVEMBER, 2023

Dear Friends,

“Children are the world's most valuable resource and
its best hope for the future.”

—John F. Kennedy

Children are the torchbearers of tomorrow. They have the potential to transform the world to a better place. Their eyes are full of hope, will and trust. Children are capable of learning, acquiring new skills and adapting to new situations in a simple way. When we work for their education and development, we equip them with the skills and knowledge which is required to address the future challenges.

As an educator, engage children in varied conversation and provide them a conducive environment to blossom. Talk, read and sing together with them every day. Help them to imbibe virtues like empathy, compassion, tolerance and respect for others. When we instill these principles in children, we hope for a future that is more compassionate and equitable for times to come.

PREPARATION FOR NEW SESSION

The Head Office advises you to get ready for the forthcoming session. Do ensure the cleanliness of school premises and its surroundings. Apply a fresh coat of paint, if necessary. Additionally, check if cleaning is required for the electrical appliances and water dispensers.

Please do not forget to use our range of promotional products, such as Brochures, Tote Bags, Table Calendar, Table Clock, Key Rings, Pens and Holders, etc., while handling enquiries. Advertising and Media Coverage of school events will definitely contribute in the promotion of the brand.

For further details, contact your Relationship Officer.

BABY SHOW

Children and their parents eagerly look forward to our incredible Baby Show. This event allows our preschoolers to engage in a variety of categories while exhibiting their hidden talents. Participating in Baby Show enhances the social skills of our little buds and gives them more confidence.

The Head Office encourages you to organise Baby Show in your school and utilise it as an opportunity to promote your school through it. Send invitation to parents, guests, media representatives, etc. Make use of various promotional channels including social media sites/platforms to publicise the event, thereby enhancing school visibility and Brand Bachpan.

In case you require assistance, contact your Relationship Officer.

ANNUAL DAY

Annual Day celebration is a time when the entire school comes together to celebrate the accomplishments of the previous year. This day holds a special significance for the faculty, staff and students. Organising Annual Day in school not only gives an opportunity to preschoolers to showcase their talent but also teaches them to learn the art of socializing. Therefore, the Head Office advises all our schools to organize Annual Day in their school and motivate children to participate in various activities that will bring their creative selves to the fore.

We have decided three amazing themes for the Annual Day— **Barbie & Ken**, **Bachpan Fest** and **BACHPANing**. Invitation cards, Standees, Backdrop, Banners and Certificates are already prepared according to the themes. Do not forget to use these designs to invite parents, media persons and eminent personalities to the Annual Day celebration.

Contact your Relationship Officer for more details.

TRAINING CAFÉ

Every educator needs to evaluate his/her abilities in order to broaden the horizon and update his/her understanding about modern teaching techniques along with pedagogical practices. Therefore, to provide comprehensive training to the teachers of our Bachpan Schools, the Head Office conducts regular sessions through 'Training Café'. The sessions are open for Counsellors, Directors, Principals, Parents and Children of our school, both in online and offline mode.

Education, Health and Nutrition, Social Media, Brand Building, Event Planning, Public Relations, Leadership and many other topics are addressed through Training Café. Our team of Subject Matter Experts and eminent academicians have created the training sessions keeping the current requirement in mind. Do connect with the Training Café and reap benefits.

Contact your Relationship Officer and acquire more details on the same.

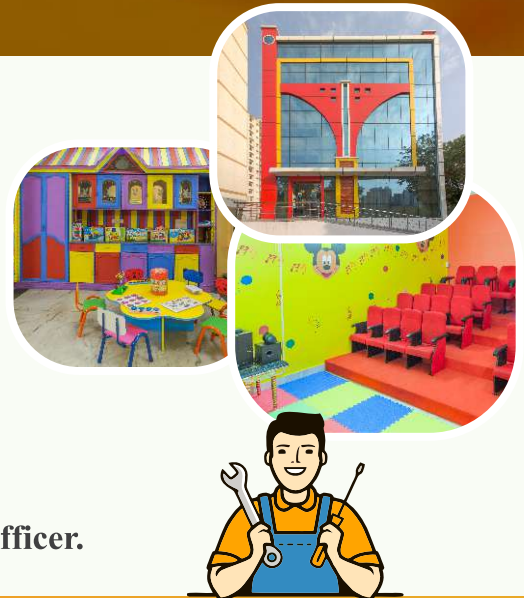

UPDATION IN INFRASTRUCTURE

Bachpan Schools provide perfect environment to young children that not only assures learning but also pays attention to their physical and mental health. The serene, calming and up-to-date surroundings ensure that children learn with joy and enthusiasm.

For the purpose, we have an incredible team of five to six Interior Support members at the Head Office. They help schools to keep up with the requirements of infrastructure. Schools are advised not to miss the chance and take advantage of this opportunity. You can login and raise query on support@bachpanglobal.com to get more details about the same.

In case of any further assistance, do contact your Relationship Officer.

ADVANTAGES OF SCHOOL SUPPORT MATERIAL

School support material like books, notebooks, Speak-O-Pen and other accessories surely meet all of the needs of our preschoolers.

The educational support material save time of children because they do not have to waste their precious time searching for or borrowing material during the class. However, not all our schools are reaping benefits from the beneficial school supplies. The Head Office advises all our schools to use our support material which will foster the overall growth of our Bachpanites.

Kindly contact your Relationship Officer for more details.

Teaching Tip

Visual aids are advantageous for preschoolers. To strengthen the ideas, procedures and concepts, use visual charts and posters for children. They will understand and remember the information better with the aid of visual signals.

Activity CORNER

The festival of Diwali is around the corner and we are ready to embrace the essence of Diwali by engaging our preschoolers in this joyful and creative '**Diya Painting Activity**'. This activity will allow the preschoolers to practice fine-motor skills and hand-eye coordination.

Material required for the Activity:

- Clay diyas (3-4)
- Non-toxic, washable acrylic paints
- Paintbrushes
- Tissue papers (for cleaning brushes)
- Newspaper
- Paint palettes or Paper plates
- Glitter, sequins and beads
- Glue
- Tea light candles

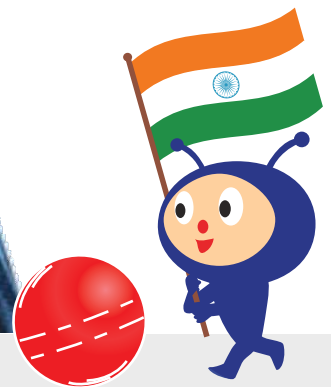

Teachers will—

- Guide children to cover the table with newspapers to protect it from paint spills.
- Briefly introduce the concept of Diwali and tradition of lighting diyas to our preschoolers.
- Encourage them to be creative and use their imagination. The tiny tots can paint diyas with traditional patterns using paintbrush and colourful acrylic paints of their choices.
- Ask them to keep aside the painted diyas and let them dry completely.
- Guide preschoolers to glue glitter, sequins or beads to the diyas to make them look more festive.
- Help them to put the tea light candles in diyas to give a final look.

Our young ones will feel proud to see the beautiful diyas painted by them!

Lesser-Known Festival of India

Wangala Festival

Wangala Festival is a vibrant and culturally significant harvest festival celebrated in the month of November every year. The Garo tribe in the North-Eastern state of Meghalaya celebrates the Wangala Festival with great enthusiasm. This festival is also known as the 100 Drums Wangala Festival because it often involves the participation of a hundred traditional Garo drums known as 'Dama' or 'Nagaras'. The Wangala Festival signifies the beginning of winter and the end of a time of labour, which brings good output to the fields.

NOTE: Dates of festivals at times may vary due to local calculations in the states.

TIP OF THE MONTH

As an educator, it is your responsibility to recognise and understand that the potential of children can only be attained if they are provided with positive environment, excellent healthcare, educational opportunities and personal development opportunities. Each and every child is your responsibility and your utmost care will definitely prove to be beneficial for the child.

QUOTE OF THE MONTH
